About

All City Tow Service is a 24-Hour towing company committed to delivering skilled, safe, and affordable local towing services. Our tow truck drivers are experienced, dependable, and completely professional. Each is fully licensed, maintains an impeccable safety record, and has undergone extensive background checks and drug screenings.

Our late model tow trucks are immaculately clean, maintained in like-new condition, and assigned to meet the specific needs of your towing job, large or small. Each is also fully equipped with the latest communications and outfitted with a complete emergency equipment package, so our drivers are prepared for any emergency conditions they might encounter. We position our teams in strategic locations throughout Kansas City and surrounding areas including Cass County to ensure a fast response time.

All City Tow Service obtains a 2-acre, well-lit, fenced lot equipped with cameras in the city limits of Belton, along with a shop for indoor storage if needed. The office is occupied Monday through Friday 8am-5pm and as needed after hours. All City Tow Service also has additional lots located in Raymore, Independence, Kansas City Kansas, and St. Joseph Missouri.

All City Tow Service relies on our local community and know how important it is to be involved with the people around us. All City Tow Service takes pride in our community engagement and are proud members of many area business networks. We assist in emergency response education for area fire departments and participate in numerous other community events each year.

All City Tow Service prides itself in being able to perform any task that you may need done – regardless of size, position, or weight. Our modern fleet of towing and recovery vehicles can help you out of any situation in an affordable, dependable, and fast manner. With more than 35 GPS equipped trucks in service, our dispatch center gets the right truck to you right away. From a basic service call to recoveries of large scale, we'll dispatch a certified driver with the knowledge, experience, and proper tools to get the job done quickly and safely.
